

June 11, 1970

Breakwater Irregulars has revised some handicaps and the results of last Tuesday night's race have been re-computed. The adjustments generally favor the smaller yachts. We will race under the new handicaps henceforth.

Order of finish by corrected time June 9:

Pussy Cat	2:40:11
Spindrift	2:40:20
Wavemaker	2:40:35
Scherzo	2:43:07
Utopia Ltd.	2:43:48
Restless	2:49:22
Therapy	2:50:38
Still Do	2:54:00
Dickie To	2:54:03
Quetchen	2:55:33
Alibi Four	2:58:03
Virago	3:02:30

We will be racing every Tuesday night until October. The first gun is at 7:00, and no circulars can be handed out after that time.

Our next day race will begin at the usual starting line, between the Stamford Harbor breakwaters, on June 21. First gun will be 11:40.

(A note to those who attend the post-race pizza party at the Colony ---- the Kitty to pay the check has come up a little short these past nights, and those who stayed had to make up the shortage. If you leave early \$1.75 per person before you go ought to cover it.)
