This was the first of our five-race Summer series. There will be a race of the series each Sunday for the next four weekends, to be followed by the Stamford Landing Trophy race on August 30. To qualify in the series, a yacht must finish in more than half of the races held. There will be one throw-out permitted if there are four or five races completed.

Scoring will be on a low point basis, with first being worth 3/4, 2 for second, 3 for third, and so on. A yacht that does not finish will be scored one more than the number of starters.
