

July 29, 1970

Course: 32A, 34, marks to starboard. Two spinnaker legs, 2 miles each.

Two yachts failed to identify themselves to the Committee last night, and so Summer Wind and Miss Ironsides are not listed in the results. Please sail by the Committee boat after you cross the finish line, and give the name of your yacht. If this is not done, some finishers likely will be missed. We would rather list all who finish.

Following is the order of finish on Corrected time:
