

BREAKWATER IRREGULARS

Sept. 9, 1970

Course: 32, 32A, 15
 Spinnaker leg: 3 miles

A moderate southerly lasted long enough last night to get all of us home in about 2½ hours or less. A fact that may be noteworthy is the difference in elapsed time of only 27 minutes between the first boat and the last boat. And the last boat did not use a spinnaker.

Cleatless found the first mark in the Vineyard more easily than she did in our race last night.

Dickie T was certain someone saw him hit 15.

Following is the order of finishers on corrected time:

	ELAPSED	CORRECTED
Wavemaker, Sockol	2:08:15	2:08:15
Pandemonium, Sherwood	2:23:51	2:10:01
Toy, Alexander	2:29:17	2:11:17
Plastic Fantastic, Gray	2:30:58	2:13:48
Virago, Taylor/Olkosky	2:24:33	2:17:53
Quetchen, Kabureck	2:30:31	2:18:21
Miss Ironsides, Donnelly	2:31:05	2:18:55
Pussycat, Sachuk	2:35:13	2:23:03
* Felicia, Miller	2:34:07	2:23:37
Cleatless	withdrew	
Dickie T	withdrew	

We will race three more Tuesday nights, to the end of September. Our season will be capped by the final race, a day race on Sunday, October 11. Last year we rafted up after the last race, and it seemed to afford a congenial atmosphere for the finale.

* MISTY, SPIZZIRI
