A typical July day made a short race become a bit protracted. Those who survived to the raft-up enjoyed Bob Redniss' celebration of his birthday anniversary, as champagne corks flew parabolically from Alibi Four.

We will raft-up again after our next day-race, Sunday, August 1. This will be the second of our four-race Summer series. We are repeating the special instructions that apply to a race with a raft-up, as one of our most experienced skippers went to the wrong finish line yesterday; we will not mention his name, but he is listed among the DNF's.

We quote from our letter of July 14: "The finish line will be between the east breakwater and the Committee Boat..... If a yacht finishes before the Committee Boat, he will take his time as he passes between the breakwaters, and those of subsequent finishers as well, including the Committee Boat..."
