

# BREAKWATER IRREGULARS

August 11, 1971

Course: 32A, Bell 1, marks to starboard. 10 miles.  
no spinnakers were used.

A beat to 32A and two reaches last night brought everyone to the finish line in good humor. Five of the top ten finishers were from Division 1. Good for the small boats !

A rivalry of long standing saw Dickie T finish ahead of Arriba, as Tony Tella hung in with his half-foot rating advantage to succeed by five seconds.

Following is the order of finish.
