Our Champagne Cup Regatta Sunday was well-attended and almost all starters persevered to the finish. A seventeen-boat raft up saw awards presented to the winning yachts. Henry Moskowitz's Kimo Sabe won in Division III; George Kabureck in Quetchen was first in Division II; and Nimbus, under the whip of movie-making Leon Hillman, led Division I. Finishers each received a bottle of champagne. Division winners received two each; and overall standings reaped five bottles for first, three for second, and two for third. Jan Allen played her guitar and sang very prettily. We think all had a good time. We know we did.

Following is the order of finish.
