

BREAKWATER IRREGULARS

September 1, 1971

On Saturday, September 18, we will hold the Breakwater Invitational match races. Start and finish will be between Gong 1 and the Race Committee flag. Competitors will start in pairs in accordance with the schedule that follows. NOTE: at the gun five minutes before the start of each pair, the first-listed yacht below must be at the Gong end of the starting line, and the second-listed at the flag end.

Each pair will race only against each other. There will be a winner for each pair.

The Breakwater Irregulars rules will apply except as modified herein.

There may be no ringers added to any crews. Those eligible are only those who have crewed with reasonable regularity during the season. Violation of this provision will be grounds for disqualification.

If either yacht of a pair has no spinnaker, then neither may use one. If both have them, unlimited use is permitted with no penalty.

Since the Committee Boat will not be starting, we plan to use the ceremonial cannon for the signal guns.

Following is the starting schedule.
